PREFACE

This directory lists titles and addresses of

(a) competent national authorities empowered to issue certificates and authorizations for the import and export of narcotic drugs and psychotropic substances in accordance with the provisions of article 18 of the Single Convention on Narcotic Drugs, 1961, and article 16 of the Convention on Psychotropic Substances, 1971;

(b) competent national authorities empowered to regulate or enforce national controls over precursors and essential chemicals in accordance with the provisions of article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances, 1988;

(c) competent national authorities empowered to transmit or execute requests for mutual legal assistance or to receive and respond to requests for information about, and appropriate action in relation to, vessels suspected of being involved in illicit traffic by sea, in accordance with the provisions of articles 7 and 17, respectively, of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances, 1988.

The directory, which is issued annually, also includes telephone, telex and telefacsimile numbers, cable addresses and, whenever available, office hours. In view of the relatively recent entry into force of the 1988 Convention, parties which have not already done so are invited to identify, as a matter of urgency, the relevant competent national authorities and their respective roles and responsibilities with regard to the implementation of articles 7, 12 and 17 of that Convention.

The titles and addresses of the national authorities are given in English, French and Spanish and are listed in English alphabetical order under the States and territories they serve. For ease of reference, there are indexes of the names of the States and territories in English, French and Spanish.

The designations employed and the presentation of material do not imply the expression of any opinion on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or area, or any authority, or concerning the delimitation of any frontiers or boundaries.

Governments are requested to review the information in this directory and to communicate any changes to the United Nations International Drug Control Programme.

b) Des autorités nationales habilitées à réglementer les précurseurs et les produits chimiques essentiels ou à leur appliquer des mesures de contrôle national, conformément aux dispositions de l'article 12 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes de 1988;

Cette liste, qui est publiée chaque année, contient également les numéros de téléphone, de telex et de télécopieur, ainsi que les adresses télégraphiques et, dans la mesure du possible, les heures ouvrables. Compte tenu de l'entrée en vigueur relativement récente de la Convention de 1988, les parties qui ne l'ont pas encore fait sont invitées à désigner d'urgence les autorités nationales compétentes et à définir leurs rôles et leurs responsabilités respectifs en ce qui concerne l'application des articles 7, 12 et 17 de cette Convention.

Les titres et adresses des autorités nationales sont donnés en anglais, espagnol et français, et sont présentés dans l'ordre alphabétique anglais sous le nom des Etats et territoires dont ils relèvent. Pour faciliter les recherches, la liste contient des index des Etats et territoires en anglais, espagnol et français.

Les appellations employées et la présentation des données n'impliquent de la part du Secrétariat de l'Organisation des Nations Unies aucune prise de position quant au statut juridique des pays, territoires, villes ou zones, ou de leurs autorités, ni quant au tracé de leurs frontières ou limites.

Les gouvernements sont invités à vérifier les informations figurant dans le présent répertoire et à communiquer toute modification au Programme des Nations Unies pour le contrôle international des drogues.

Esta guía, que se publica anualmente, incluye también los números de teléfono, télex y telefax, la dirección telegráfica y, cuando se dispone de esta información, las horas de oficina. En vista de la entrada en vigor relativamente reciente de la Convención de 1988, se invita a las Partes que todavía no lo hayan hecho a que determinen urgentemente los organismos nacionales competentes y sus respectivas funciones y obligaciones en relación con la aplicación de los artículos 7, 12 y 17 de esa Convención.

Los nombres y direcciones de los organismos nacionales figuran en español, francés e inglés y se enumeran siguiendo el orden alfabético en inglés de los Estados y territorios en que prestan servicios. Para facilitar las consultas, se han incluido índices de los nombres de los Estados y territorios en español, francés e inglés.

Las denominaciones empleadas en esta publicación y la forma en que aparecen presentados los datos que contiene no entrañan, de parte de la Secretaría de las Naciones Unidas, juicio alguno sobre la condición jurídica de ninguno de los países o territorios citados o de sus autoridades, ni respecto de la delimitación de sus fronteras o límites.

Se ruega a los gobiernos que examinen la información que figura en esta guía y que comuniquen cualquier cambio al Programa de las Naciones Unidas para la Fiscalización Internacional de Drogas.

PART I

Competent national authorities under article 18 of the Single Convention on Narcotic Drugs, 1961, and article 16 of the Convention on Psychotropic Substances, 1971

INTRODUCTION

This chapter of the directory lists all competent national authorities empowered to issue certificates and authorizations for the import and export of narcotic drugs and psychotropic substances in accordance with the provisions of article 18 of the Single Convention on Narcotic Drugs, 1961, and article 16 of the Convention on Psychotropic Substances, 1971.

This listing of national authorities is issued pursuant to the 1961 and 1971 Conventions and continues the practice established following the entry into force of the 1931 Convention for Limiting and Regulating the Distribution of Narcotic Drugs, which was brought under the aegis of the United Nations by the 1946 Protocol amending the latter convention. Its contents are based on data provided to the Secretary-General in the annual reports on the working of the international drug control treaties by States both parties and non-parties to the relevant treaties.

Authorities marked "N" are empowered to issue import and export authorizations only for narcotic drugs.

Authorities marked "P" are empowered to issue import and export authorizations only for psychotropic substances.

Authorities marked "NP" are empowered to issue import and export authorizations for both narcotic drugs and psychotropic substances.

Absence of any of the above markings indicates that the Government has not specified the range of empowerment of the respective authorities.

Governments are requested to review the information in this chapter and to communicate any changes to the United Nations International Drug Control Programme.

PARTIE I

Autorités nationales compétentes au titre de l'article 18 de la Convention unique sur les stupéfiants de 1961, de l'article 16 de la Convention de 1971 sur les substances psychotropes

INTRODUCTION

Le présent chapitre contient une liste de toutes les autorités nationales habilitées à délivrer des certificats et des autorisations pour l'importation et l'exportation de stupéfiants et de substances psychotropes, conformément aux dispositions de l'article 18 de la Convention unique sur les stupéfiants de 1961 et de l'article 16 de la Convention de 1971 sur les substances psychotropes.

La présente liste est publiée en application des Conventions de 1961 et de 1971 et conformément à la pratique établie après l'entrée en vigueur de la Convention pour limiter la fabrication et réglementer la distribution des stupéfiants de 1931 qui a été placée sous l'égide de l'Organisation des Nations Unies par le Protocole de 1946 amendant cette dernière convention. Cette liste a été établie à partir des données communiquées au Secrétaire général dans les rapports annuels sur le fonctionnement des traités internationaux concernant le contrôle des drogues envoyés par les Etats parties ou non parties auxdits traités.

Les autorités signalées par la lettre "N" ne sont habilitées qu'à délivrer des autorisations d ' importation et d 'exportation pour les stupéfiants.

Les autorités signalées par la lettre "P" ne sont habilitées qu'à délivrer des autorisations d'importation et d'exportation pour les substances psychotropes.

Les autorités signalées par les lettres "NP" sont habilitées à délivrer des autorisations d' importation et d'exportation pour les stupéfiants et pour les substances psychotropes.

L'absence de ces lettres signifie que le gouvernement n'a pas précisé le mandat des autorités en question.

Les gouvernements sont invités à vérifier les informations figurant dans le présent chapitre et à communiquer toute modification au Programme des Nations Unies pour le contrôle international des drogues.

PARTE I

Organismos nacionales competentes a los efectos del artículo 18 de la Convención Única de 1961 sobre Estupefacientes y del artículo 16 del Convenio sobre Sustancias Sicotrópicas de 1971

INTRODUCCIÓN

En este capítulo de la guía figuran todos los organismos nacionales competentes que están facultados para emitir certificados y autorizaciones de importación y exportación de estupefacientes y sustancias sicotrópicas de conformidad con lo dispuesto en el artículo 18 de la Convención Única de 1961 sobre Estupefacientes y en el artículo 16 del Convenio sobre Sustancias Sicotrópicas de 1971.

Esa lista de los organismos nacionales se publica de conformidad con la Convención de 1961 y con el Convenio de 1971; con ella se sigue el sistema establecido tras la entrada en vigor de la Convención de 1931 para limitar la fabricación y reglamentar la distribución de estupefacientes, que pasó a estar bajo la égida de las Naciones Unidas a partir de la firma del Protocolo de enmienda de 1946. Su contenido se basa en los datos proporcionados al Secretario General, en los informes anuales sobre la aplicación de los tratados internacionales de fiscalización de drogas, tanto por los Estados que son parte en los tratados pertinentes como por los que no lo son.

Los organismos señalados con una letra "N" están facultados para emitir autorizaciones de importación y exportación de estupefacientes solamente.

Los organismos señalados con una letra "P" están facultados para emitir autorizaciones de importación y exportación de sustancias sicotrópicas olamente.

Los organismos señalados con las letras "NP" están facultados para emitir autorizaciones de importación y exportación tanto de sustancias sicotrópicas como de estupefacientes.

La falta de cualquiera de esas letras indica que el gobierno no ha comunicado el ámbito de competencia de los organismos respectivos.

Se ruega a los gobiernos que examinen la información que figura en este capítulo y que comuniquen cualquier cambio al Programa de las Naciones Unidas para la Fiscalización Internacional de Drogas.

ЧАСТЬ I

Компетентные национальные органы, действующие на основании положений статьи 18 Единой конвенции о наркотических средствах 1961 года и статьи 16 Конвенции о психотропных веществах 1971 года

ВВЕДЕНИЕ

В этой части справочника перечисляются все компетентные национальные органы, уполномоченные выдавать разрешения на вывоз наркотических средств и психотропных веществ и свидетельства на их ввоз в соответствии с положениями статьи 18 Единой конвенции о наркотических средствах 1961 года и статьи 16 Конвенции о психотропных веществах 1971 года.

Этот перечень национальных органов издается в соответствии с положениями Конвенций 1961 и 1971 годов в продолжение практики, установленной после вступления в силу Конвенции об ограничении и регламентации распределения наркотических средств 1931 года, которая в силу Протокола 1946 года о внесении поправок к данной Конвенции была включена в систему конвенций Организации Объединенных Наций. Этот перечень подготовлен на основе данных, представленных Генеральному секретарю в ежегодных докладах о применении международных договоров в области контроля над наркотиками государств, как являющихся, так и не являющихся сторонами соответствующих договоров.

Органы, помеченные условным обозначением "Н", уполномочены выдавать разрешения на вывоз и свидетельства на ввоз лишь наркотических средств.

Органы, помеченные условным обозначением "НП", уполномочены выдавать разрешения на вывоз и свидетельства на ввоз как наркотических средств, так и психотропных веществ.

Отсутствие вышеупомянутых обозначений свидетельствует о том, что правительство не определило круг полномочий соответствующих органов.

Правительствам предлагается рассмотреть информацию, содержащуюся в данной части, и направить сообщения о любых изменениях Программе Организации Объединенных Наций по международному контролю над наркотиками.

PART II

Competent national authorities under article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances, 1988

INTRODUCTION

This chapter of the directory lists all competent national authorities empowered to regulate or enforce national controls over precursors and essential chemicals in accordance with the provisions of article 12 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances, 1988.

This listing of national authorities is issued pursuant to Economic and Social Council resolution 1992/29 of 30 July 1992. Its contents are based on data provided to the International Narcotics Control Board (INCB) by Governments.

Notes verbales were transmitted by the Secretary-General to all States requesting names and addresses of competent national authorities empowered to implement the provisions of article 12 of the 1988 Convention. The national authorities which were identified by Governments in reply to those notes appear in the following list without an asterisk. On the other hand, authorities marked with an asterisk (*) are those competent national authorities currently reporting to INCB under the provisions of article 12, paragraph 12, of the 1988 Convention but which were not expressly identified by Governments in reply to the Secretary-General's notes.

If a contact address for a country or territory is not listed in Part II of this publication, it is possible that there is a contact address for that country or territory listed in Part I that may be used. The INCB secretariat can be contacted for further information.

Knowledge of the respective roles and responsibilities entrusted to each competent authority in relation to the implementation of specific control measures is essential if rapid and effective exchange of information between Governments is to be made possible. It should be recalled that the Economic and Social Council, in its resolution 1992/29, invited "States in which precursor and essential chemicals are manufactured and States in regions in which narcotic drugs and psychotropic substances are illicitly manufactured to establish close cooperation in order to prevent the diversion of precursor and essential chemicals into illicit channels". Further, the Council urged competent authorities of chemical exporting countries, in considering applications for export authorizations, to "take reasonable steps to verify the legitimacy of transactions, in consultation, where appropriate, with their counterparts in importing countries". Experience shows that direct contact, where appropriate, is often the most expeditious means of identifying and stopping suspicious transactions involving scheduled substances.

Economic and Social Council resolution 1992/29 also invited INCB "to publish and maintain a directory containing [...] a summary of the regulatory controls that apply in each State, especially with regard to the importation and exportation of substances listed in Table I and Table II of the 1988 Convention". As soon as such data become available they will be included in future editions of this publication.

Governments are requested to review the information in this chapter and to communicate any changes to the United Nations International Drug Control Programme.

PARTIE II

Autorités nationales compétentes au titre de l'article 12 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes, 1988

INTRODUCTION

Le présent chapitre contient une liste de toutes les autorités nationales habilitées à réglementer les précurseurs et les produits chimiques essentiels ou à leur appliquer des mesures de contrôle national, en application des dispositions de l'article 12 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes de 1988.

Cette liste est publiée en application de la résolution 1992/29 du Conseil économique et social en date du 30 juillet 1992. Elle est fondée sur les données communiquées par les gouvernements à l'Organe international de contrôle des stupéfiants (OICS).

Le Secrétaire général a envoyé à tous les Etats des notes verbales pour leur demander de lui communiquer le nom et l'adresse des autorités nationales habilitées à appliquer les dispositions de l'article 12 de la Convention de 1988. Les autorités dont le nom a été donné par les gouvernements en réponse à ces notes sont indiquées telles quelles. Celles dont le nom est accompagné d'un astérisque sont celles qui font actuellement rapport à l'OICS, en application des dispositions du paragraphe 12 de l'article 12 de la Convention de 1988 mais qui n'ont pas été expressément citées par les gouvernements en réponse aux notes du Secrétaire général.

Si la partie II n'indique pas d'adresse pour un pays ou un territoire, il se peut que la partie I contienne une adresse utilisable pour ce même pays ou territoire. Des renseignements complémentaires peuvent être demandés au secrétariat de l'OICS.

Il est indispensable de connaître le rôle et les responsabilités respectifs de chaque autorité compétente en ce qui concerne l'application de mesures spécifiques de contrôle si l'on veut obtenir un échange rapide et efficace d'informations entre les gouvernements. Il convient de rappeler que le Conseil économique et social, dans sa résolution 1992/29, a invité "les Etats où sont fabriqués des précurseurs et des produits chimiques essentiels, ainsi que les Etats des régions où des stupéfiants et des substances psychotropes sont fabriqués illicitement à établir des liens de coopération étroits afin d'empêcher le détournement de précurseurs et produits chimiques essentiels vers des circuits illicites". Le Conseil a en outre prié instamment les autorités compétentes des pays qui exportent des produits chimiques, lorsqu'elles examinent les demandes d'autorisation d'exportation, de s'assurer qu'elles "prennent toutes les mesures qui peuvent raisonnablement être prises pour vérifier la légitimité des opérations et, selon qu'il convient, se consulter avec leurs homologues des pays importateurs". L'expérience montre que des contacts directs sont souvent le moyen le plus rapide de déceler et d'arrêter des transactions suspectes portant sur des substances inscrites aux Tableaux.

Dans sa résolution 1992/29, le Conseil économique et social invite en outre l'OICS "à publier et à tenir à jour un répertoire contenant [...] un résumé des contrôles réglementaires qui s'appliquent dans chaque Etat, en particulier en ce qui concerne l'importation et l'exportation de substances chimiques inscrites aux Tableaux I et II de la Convention de 1988". Dès que ces données seront disponibles, elles seront incluses dans les prochaines éditions de la présente publication.

Les gouvernements sont invités à vérifier les informations figurant dans le présent chapitre et à communiquer toute modification au Programme des Nations Unies pour le contrôle international des drogues.

PARTE II

INTRODUCCIÓN

En este capítulo de la guía figuran todos los organismos nacionales competentes que están facultados para establecer o hacer cumplir normas nacionales para la fiscalización de precursores y de productos químicos esenciales de conformidad con lo dispuesto en el artículo 12 de la Convención de las Naciones Unidas contra el Tráfico Ilícito de Estupefacientes y Sustancias Sicotrópicas de 1988.

Esa lista de organismos nacionales se publica de conformidad con la resolución 1992/29, de 30 de julio de 1992, del Consejo Económico y Social. Su contenido se basa en los datos proporcionados por los gobiernos a la Junta Internacional de Fiscalización de Estupefacientes (JIFE).

El Secretario General envió a todos los Estados unas notas verbales en las que solicitaba los nombres y direcciones de los organismos nacionales competentes que estaban facultados para cumplir lo dispuesto en el artículo 12 de la Convención de 1988. Los organismos nacionales mencionados por los gobiernos en sus respuestas a esas notas verbales figuran en la lista siguiente sin asterisco. En cambio, los organismos señalados con un asterisco (*) son los organismos nacionales competentes que actualmente informan a la JIFE en virtud de lo dispuesto en el párrafo 12 del artículo 12 de la Convención de 1988 pero que no fueron mencionados expresamente por los gobiernos en sus respuestas a las notas verbales del Secretario General.

Si en la Parte II de esta publicación no figura una dirección de contacto correspondiente a un determinado país o territorio, es posible que en la Parte I figure una dirección de contacto que pueda utilizarse para ese país o territorio. Para más información, pueden dirigirse a la secretaría de la JIFE.

Es indispensable conocer las funciones y cometidos confiados a cada organismo competente en relación con la aplicación de medidas de fiscalización específicas para que sea posible un intercambio de información rápido y eficaz entre los gobiernos. Debe recordarse que el Consejo Económico y Social, en su resolución 1992/29, invitó "a los Estados que fabrican precursores y productos químicos esenciales y a los Estados de regiones en las que se fabriquen ilícitamente estupefacientes y sustancias sicotrópicas a establecer una cooperación estrecha con el fin de prevenir la desviación de precursores y de productos químicos esenciales hacia canales ilícitos". Además, el Consejo instó a los organismos competentes de los países que exportan productos químicos a que, cuando examinen las solicitudes de autorización de exportación, "tomen todas las medidas razonables para verificar el carácter legítimo de las transacciones, en consulta, cuando proceda, con las autoridades competentes de los países de importación". La experiencia demuestra que el contacto directo, cuando procede, es a menudo el medio más rápido de identificar y detener las transacciones sospechosas relativas a sustancias enumeradas en las listas.

En su resolución 1992/29, el Consejo Económico y Social invitó asimismo a la Junta "a publicar y mantener actualizada una guía que contenga [...] un resumen de las medidas reglamentarias de fiscalización que se aplican en cada Estado, especialmente con respecto a la importación y exportación de las sustancias que figuran en el Cuadro I y en el Cuadro II de la Convención de 1988". Tan pronto como se disponga de esos datos se los incluirá en las ediciones futuras de esta publicación.

Se ruega a los gobiernos que examinen la información que figura en este capítulo y que comuniquen cualquier cambio al Programa de las Naciones Unidas para la Fiscalización Internacional de Drogas.

ЧАСТЬ II

Компетентные национальные органы, действующие на основании положений статьи 12 Конвенции Организации Объединенных Наций о борьбе против незаконного оборота наркотических средств и психотропных веществ 1988 года

ВВЕДЕНИЕ

В этой части справочника перечисляются все компетентные национальные органы, уполномоченные осуществлять регулирование или обеспечение соблюдения национальных мер по контролю над прекурсорами и основными химическими веществами в соответствии с положениями статьи 12 Конвенции Организации Объединенных Наций о борьбе против незаконного оборота наркотических средств и психотропных веществ 1988 года.

Этот перечень национальных органов издается в соответствии с резолюцией 1992/29 Экономического и Социального Совета от 30 июля 1992 года. Он подготовлен на основе данных, представленных правительствами Международному комитету по контролю над наркотиками (МККН).

Всем государствам были направлены вербальные ноты Генерального секретаря, в которых содержалась просьба сообщить названия и адреса компетентных национальных органов, уполномоченных осуществлять положения статьи 12 Конвенции 1988 года. Национальные органы, указанные правительствами в связи с этими нотами, помечены в представленном ниже перечне условным обозначением *. С другой стороны, условным обозначением (*) отмечены компетентные национальные органы, которые в настоящее время представляют МККН информацию в соответствии с положениями пункта 12 статьи 12 Конвенции 1988 года, но которые не были прямо указаны правительствами в связи с нотами Генерального секретаря.

Если адрес соответствующего компетентного органа какой-либо страны или территории не приводится в Части II данного издания, то вполне возможно, что такой адрес соответствующего компетентного органа этой страны или территории, которым можно воспользоваться, содержится в Части I. По всем дальнейшим вопросам просьба обращаться в секретариат МККН.

Для обеспечения быстрого и эффективного обмена информацией между правительствами крайне важно располагать данными о соответствующих функциях и обязанностях каждого компетентного органа в связи с осуществлением конкретных мер контроля. Следует напомнить о том, что в своей резолюции 1992/29 Экономический и Социальный Совет предложил "государствам, в которых изготавливаются прекурсоры и основные химические вещества, и государствам региона, в которых незаконно изготавливаются наркотические средства и психотропные вещества, установить тесное сотрудничество в целях предотвращения утечки прекурсоров и основных химических веществ в незаконные каналы". Совет далее настоятельно призвал компетентные органы стран, экспортирующих химические вещества, при рассмотрении заявлений о предоставлении разрешений на экспорт "принимать разумные меры для проверки законного характера сделок в

консультаций, если это необходимо, со своими партнерами в импортирующих странах". Накопленный опыт свидетельствует о том, что установление в соответствующих случаях прямых контактов часто является средством наиболее оперативного выявления и пресечения подозрительных сделок в отношении веществ, находящихся под международным контролем.

В своей резолюции 1992/29 Экономический и Социальный Совет предложил МККН "издать и обновлять справочник, содержащий [...] краткое описание мер регулирования и контроля, которые применяются в каждом государстве, особенно в отношении импорта и экспорта веществ, перечисленных в Таблице I и Таблице II Конвенции 1988 года". Как только такие данные будут получены, они будут включены в будущие издания данного справочника.

Правительствам предлагается рассмотреть информацию, содержащуюся в данной части, и направить сообщения о любых изменениях Программе Организации Объединенных Наций по международному контролю над наркотиками.

第二部分

《1988年联合国禁止非法贩运麻醉药品和精神药物公约》第12条项下的国家主管当局

导言

名册的这一部分列出了受权根据《1988年联合国禁止非法贩运麻醉药品和精神药物公约》第12条的规定管理或实施国家对前体和基本化学品的管制的国家主管当局。

这份国家当局名单是根据经济及社会理事会1992年7 月30日第1992/29 号决议印发的。 其内容是以各国政府向国际麻醉药品管制局（麻管局）提供的资料为基础的。

秘书长曾向各国送发了普通照会，要求提供受权实施《1988年公约》第12条各项规定的国家主管当局的名称和地址。 下列名单中没有星号者就为各国政府在答复这些照会中所指定的国家当局。 另一方面，注有星号（*）的当局是虽然未由有关政府在答复秘书长的照会中明确指定、但现在根据《1988年公约》第12条第12款的规定向麻管局报告的那些国家主管当局。

如果本出版物第二部分未列出某一国家或领土的联系地址，而第一部分可能已有该国或该领土的联系地址，则可以使用该联系地址。 请与麻管局秘书处联系，以便提供进一步资料。

政府间要能够迅速和有效地交换信息，了解每一主管当局在实施具体管制措施方面的作用和责任是十分必要的。 应该指出，经济及社会理事会在其1992/29号决议中请"生产前体和基本化学品的国家及处于非法生产麻醉药品和精神药物的区域的国家建立密切合作关系，以防止前体和基本化学品转入非法渠道"。另外，理事会还促请化学品出口国的主管当局在考虑出口许可证申请时，"采取合理步骤，核实交易是否合法，并酌情与进口国主管机构协商"。 经验表明，酌情进行直接联系往往是查明和制止涉及列表物品的可疑交易的最迅捷的方法。

经济及社会理事会第1992/29 号决议还请麻管局"出版并保存载有[…]各国执行的管制措施、特别是有关《1988年公约》表一和表二所列物品进出口管制措施的摘要的手册"。 一旦获得这类资料，本出版物的下一版就将予以列入。

请各国政府审查本部分所载资料，如有任何变化，请通知联合国国际药物管制规划署。

الجزء الثاني

السلطات الوطنية المختصة بموجب المادة ١٢ من اتفاقية الامم المتحدة لمكافحة الاتجار غير المشروع في المخدرات والمؤثرات العقلية لسنة ١٩٨٨

مقدمة

ترد في هذا الفصل من الدليل قائمة بجميع السلطات الوطنية المختصة المعنوى اليها تنظيم أو انفاذ الضوابط الوطنية على السلائف والكيماويات الاساسية وفقا لاحكام المادة ١٢ من اتفاقية الامم المتحدة لمكافحة الاتجار غير المشروع في المخدرات والمؤثرات العقلية لسنة ١٩٨٨ .

وتصدر هذه القائمة عملا بقرار المجلس الاقتصادي والاجتماعي ٢٩/١٩٩٢ المؤرخ ٣٠ تموز/يوليه ١٩٩٢ . وتستند محتويات القائمة الى البيانات التي تقدمها الحكومات الى الهيئة الدولية لمراقبة المخدرات .

وقد أرسل الامين العام مذكرات شفوية الى جميع الدول طالبا أسماء وعناوين السلطات الوطنية المختصة المعنوى اليها تنفيذ أحكام المادة ١٢ من اتفاقية سنة ١٩٨٨ . وترد تسميات السلطات الوطنية التي بينتها الحكومات ردا على تلك المذكرات في القائمة التالية دون علامة نجمية (*) . أما السلطات المؤشر عليها بعلامة نجمية . فهي السلطات الوطنية المختصة التي تقدم حاليا تقارير الى الهيئة الدولية لمراقبة المخدرات بموجب أحكام الفقرة ١٢ من المادة ١٢ من اتفاقية سنة ١٩٨٨ ولكن لم تحددها الحكومات صراحة في ردودها على مذكرات الامين العام .

واذا لم يكن لبلد أو اقليم ما عنوان للاتصال مدرج في الجزء الثاني من هذا المنشور . فان من المحتمل أن يكون لذلك البلد أو الاقليم عنوان للاتصال يمكن استخدامه مدرج في الجزء الاول . ويمكن الاتصال بأمانة الهيئة الدولية لمراقبة المخدرات للحصول على المزيد من المعلومات .

ومن الضروري معرفة الادوار والمسؤوليات المعهود بها الى كل من السلطات المختصة فيما يتعلق بتنفيذ تدابير رقابية محددة حتى يتيسر تبادل المعلومات بين الحكومات بسرعة وفعالية . ويجدر التذكير بأن المجلس الاقتصادي والاجتماعي دعا في قراره ٢٩/١٩٩٢ "الدول التي تصنع فيها السلائف والكيماويات الاساسية ، ودول المنطقة التي تصنع فيها المخدرات والمؤثرات العقلية على نحو غير مشروع ، الى أن تتعاون تعاونا وثيقا على منع تسريب السلائف والكيماويات الاساسية الى القنوات غير المشروعة" . وعلاوة على ذلك ، حث المجلس السلطات المختصة في البلدان المصدرة

للكيماويات على أن تقوم ، عند النظر في طلبات رخص التصدير ، "باتخاذ تدابير معقولة للتحقق من مشروعية الصفقات ، وعند الاقتضاء ، بالتشاور في هذا الصدد مع السلطات المختصة في البلدان المستوردة" . وقد أثبتت التجربة أن الاتصال المباشر ، عند الاقتضاء ، كثير ما يكون أسرع الوسائل لاستبانة ووقف الصفقات المشبوهة المشتملة على مواد مدرجة بالجداول .

ودعا قرار المجلس الاقتصادي والاجتماعي ٢٩/١٩٩٢ أيضا الهيئة الدولية لمراقبة المخدرات الى "نشر دليل يحتوي على [...] ملخص للضوابط التنظيمية التي تطبق في كل من الدول ، ولا سيما على استيراد وتصدير المواد المدرجة في الجدولين الأول والثاني من اتفاقية سنة ١٩٨٨ وابقائه مستكملا" . وستدرج تلك البيانات ، فور توافرها ، في الأعداد التالية من هذا المنشور .

ويرجى من الحكومات استمراق المعلومات الواردة في هذا الفصل وابلاغ برنامج الأمم المتحدة المعني بالمكافحة الدولية للمخدرات بأية تغييرات تطرأ عليها .

PART III

Competent national authorities under articles 7 and 17 of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances, 1988

INTRODUCTION

This chapter of the directory lists all competent national authorities empowered to transmit or execute requests for mutual legal assistance or to receive and respond to requests for information about, and appropriate action in relation to, vessels suspected of being involved in illicit traffic by sea, in accordance with the provisions of articles 7 and 17, respectively, of the United Nations Convention against Illicit Traffic in Narcotic Drugs and Psychotropic Substances, 1988.

This listing of national authorities is issued pursuant to the 1988 Convention so as to facilitate the exchange of information foreseen in articles 7 and 17 of that Convention. Its contents are based on data provided by Governments to the Secretary-General as required under the 1988 Convention, or in response to notes verbales transmitted by the Secretary- General to all States requesting full contact particulars of competent national authorities.

Paragraph 8 of article 7 of the 1988 Convention requires parties to designate an authority or authorities with the responsibility and power to execute requests for mutual legal assistance, or to transmit them to the competent authorities for execution. Transmission of requests and communications relating to them are to be effected between the designated authorities, although a party may require that such requests and communications be addressed to it through the diplomatic channel and, in urgent circumstances, where the parties agree, through the channels of the International Criminal Police Organization (ICPO/Interpol), if possible. Where a country permits urgent requests or communications through ICPO/Interpol channels, this is indicated by "YES" against the "ICPO" heading in the list, and the contrary by "NO".

Paragraph 7 of article 17 of the 1988 Convention requires parties to designate an authority or authorities to receive and respond to requests from another party for confirmation that a vessel that is flying its flag is entitled to do so, and to requests for authorization "from the flag State to take appropriate measures in regard to that vessel".

Governments are requested to review the information in this chapter and to communicate any changes to the United Nations International Drug Control Programme.

PARTIE III

Autorités nationales compétentes au titre des articles 7 et 17 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes, 1988

INTRODUCTION

Le présent chapitre contient une liste de toutes les autorités nationales habilitées à transmettre des demandes d'entraide judiciaire ou à y répondre ou à recevoir des demandes d'information ou des demandes de mesures appropriées concernant des navires soupçonnés de participer à un trafic illicite par mer et à répondre à ces demandes, conformément aux dispositions des articles 7 et 17 de la Convention des Nations Unies contre le trafic illicite de stupéfiants et de substances psychotropes de 1988.

Cette liste est publiée en application de la Convention de 1988 et vise à faciliter l'échange d'informations prévu aux articles 7 et 17 de cette convention. Elle est fondée sur les données fournies au Secrétaire général par les gouvernements en application de la Convention de 1988 ou en réponse à des notes verbales envoyées par le Secrétaire général à tous les Etats pour leur demander des détails complets sur les autorités nationales compétentes.

Le paragraphe 8 de l'article 7 de la Convention de 1988 stipule que les parties désignent une autorité ou, si besoin est, des autorités qui ont la responsabilité et le pouvoir de répondre aux demandes d'entraide judiciaire ou de les transmettre aux autorités compétentes pour exécution. La transmission de ces demandes et de toute communication y relative se fait entre les autorités désignées par les parties sans préjudice du droit de toute partie d'exiger que ces demandes et communications lui soient adressées par la voie diplomatique et, dans des cas urgents, si les parties en conviennent, par l'intermédiaire de l'OIPC/Interpol, si cela est possible. Le fait qu'un pays autorise des demandes ou des communications urgentes par l'intermédiaire de l'OIPC/Interpol est indiqué par le mot "YES" sous la rubrique "ICPO" (OIPC) et par le mot "NO" dans le cas contraire.

Le paragraphe 7 de l'article 17 de la Convention de 1988 stipule que chaque partie désigne l'autorité ou, le cas échéant, les autorités habilitées à recevoir toute demande que lui adresse une autre partie en vue de déterminer si un navire qui bat son pavillon y est autorisé et à répondre à cette demande, ainsi qu'à toute demande visant à obtenir de l'Etat du pavillon l'autorisation "de prendre les mesures appropriées à l'égard de son navire".

Les gouvernements sont invités à vérifier les informations figurant dans le présent chapitre et à communiquer toute modification au Programme des Nations Unies pour le contrôle international des drogues.

PARTE III

Organismos nacionales competentes a los efectos de los artículos 7 y 17 de la Convención de las Naciones Unidas contra el Tráfico Ilícito de Estupefacientes y Sustancias Sicotrópicas de 1988

INTRODUCCIÓN

En este capítulo de la guía figuran todos los organismos nacionales competentes que están facultados para transmitir o atender solicitudes de asistencia judicial recíproca o para recibir y atender solicitudes de información acerca de naves que se sospeche que están siendo utilizadas en el tráfico ilícito por mar y adoptar las medidas apropiadas al respecto, de conformidad con lo dispuesto en los artículos 7 y 17, respectivamente, de la Convención de las Naciones Unidas contra el Tráfico Ilícito de Estupefacientes y Sustancias Sicotrópicas de 1988.

Esa lista de organismos nacionales se publica de conformidad con la Convención de 1988 para facilitar el intercambio de información previsto en los artículos 7 y 17 de la Convención. Su contenido se basa en los datos proporcionados por los gobiernos al Secretario General con arreglo a la Convención de 1988 o en respuesta a las notas verbales enviadas por el Secretario General a todos los Estados, en las que solicitaba la información necesaria para ponerse en contacto con los organismos nacionales competentes.

El párrafo 8 del artículo 7 de la Convención de 1988 exige a las Partes que designen una o varias autoridades con facultades para dar cumplimiento a las solicitudes de asistencia judicial recíproca o transmitirlas a las autoridades competentes para su ejecución. Las autoridades designadas serán las encargadas de transmitir las solicitudes y las comunicaciones pertinentes, aunque cualquiera de las Partes podrá exigir que estas solicitudes y comunicaciones se le envíen por vía diplomática y, en circunstancias urgentes, cuando las Partes convengan en ello, por conducto de la Organización Internacional de Policía Criminal (OIPC/Interpol), de ser ello posible. Cuando un país acepta que las solicitudes y comunicaciones urgentes se le envíen por conducto de la OIPC/Interpol, en la lista, junto a las siglas "ICPO", figura la palabra "YES"; de lo contrario, figura la palabra "NO".

El párrafo 7 del artículo 17 de la Convención de 1988 exige a las Partes que designen una o varias autoridades para que se encarguen de recibir las solicitudes de confirmación de que una nave que esté enarbolando su pabellón está autorizada a hacerlo, así como las solicitudes de autorización del Estado del pabellón para adoptar las medidas adecuadas con respecto a esa nave, y de responder a ellas.

Se ruega a los gobiernos que examinen la información que figura en este capítulo y que comuniquen cualquier cambio al Programa de las Naciones Unidas para la Fiscalización Internacional de Drogas.

ЧАСТЬ III

Компетентные национальные органы, действующие на основании положений статей 7 и 17 Конвенции Организации Объединенных Наций о борьбе против незаконного оборота наркотических средств и психотропных веществ 1988 года

ВВЕДЕНИЕ

В этой части справочника перечисляются все компетентные национальные органы, уполномоченные препровождать или выполнять просьбы об оказании взаимной юридической помощи или получать запросы об информации относительно судов, заподозренных в осуществлении незаконного оборота на море, и отвечать на такие запросы в соответствии с положениями соответственно статьи 7 и статьи 17 Конвенции Организации Объединенных Наций о борьбе против незаконного оборота наркотических средств и психотропных веществ 1988 года.

Этот перечень национальных органов издается в соответствии с положениями Конвенции 1988 года в целях упрощения обмена информацией, предусмотренного в статьях 7 и 17 этой Конвенции. Он подготовлен на основе данных, которые представлены Генеральному секретарю правительствами в соответствии с требованиями Конвенции 1988 года или в связи с вербальными нотами Генерального секретаря, направленными всем государствам с просьбой сообщить все необходимые данные для установления контакта с компетентными национальными органами.

В соответствии с пунктом 8 статьи 7 Конвенции 1988 года стороны должны назначить орган или органы, которые обязаны и уполномочены выполнять просьбы об оказании взаимной юридической помощи или препровождать их на исполнение соответствующим компетентным органам. Препровождение просьб и относящихся к ним сообщений осуществляется между назначенными органами, хотя любая сторона может потребовать, чтобы такие просьбы и сообщения направлялись ей по дипломатическим каналам и, в случае чрезвычайных обстоятельств, по каналам Международной организации уголовной полиции (МОУП/Интерпола), если это возможно. Если страна допускает направление срочных просьб или сообщений по каналам МОУП/Интерпола, следует указать на это, поставив в перечне напротив названия "МОУП" пометку "ДА", а в противном случае - "НЕТ".

В пункте 7 статьи 17 Конвенции 1988 года предусмотрено, что стороны назначают орган или органы, которые должны получать запросы от другой страны о подтверждении того, имеет ли судно, несущее ее флаг, право на это, и отвечать на такие запросы, а также на запросы о разрешении "государства-флага принять надлежащие меры в отношении этого судна".

Правительствам предлагается рассмотреть информацию, содержащуюся в этой части, и направить сообщения о любых изменениях Программе Организации Объединенных Наций по международному контролю над наркотиками.

第三部分

《1988年联合国禁止非法贩运麻醉药品和精神药物公约》第7和17条项下的国家主管当局

导言

名册的这一部分列出了受权根据《1988年联合国禁止非法贩运麻醉药品和精神药物公约》第7 和17条的规定转交或执行关于相互法律协助的请求或者接受和答复有关就涉疑参与海上非法贩毒活动的船只提供资料的请求并采取适当行动的国家主管当局。

这份国家当局名单是根据《1988年公约》印发的，以便于交换该公约第7 和17条中所述的资料。这份名单的内容是以各国政府根据《1988年公约》的要求或在答复秘书长送发各国、请其提供国家主管当局详尽联系细节的普通照会中提供的资料为基础的。

《1988年公约》第7 条第8 款请缔约国指定一个或若干个当局，使之负责和有权执行关于相互法律协助的请求或将该请求转交有关当局加以执行。 请求的传递以及与此有关的任何联系均应通过指定的当局进行，虽然缔约国可以要求通过外交渠道以及在紧急情况下，经有关缔约国同意，通过国际刑事警察组织（国际刑警组织）渠道传递这种请求和进行这种联系。 如果一国容许通过国际刑警组织渠道传递紧急请求或进行联系，则在名单的“ICPO”标题栏下注明“YES”，而在国名栏下注明“NO”。

《1988年公约》第17条第7 款要求缔约国指定一个或若干个当局接受和答复另一缔约国要求确认悬挂其国旗的船只是否有此权利的请求以及“请船旗国授权对该船只采取适当措施”的请求。

请各国政府审查本部分所载资料，如有任何变化，请通知联合国国际药物管制规划署。
